Transformation Village Chili Cook Off

How does my sponsorship support Transformation Village?

Funds from the Inaugural 2024 Chili Cook Off event scheduled for October 20, 2024 will be used to support the **“Steps to Success”** Program.

ABCCM Transformation Village has created a developmental, incentive-based program that all residents are encouraged to complete, called **“Steps to Success”**, that is designed to 1) aid them in recovery, 2) provide them with the life-skills necessary to contribute to their community, 3) educate them into living-wage jobs, and 4) equip them to sustain permanent housing. As women move through the program, all of the resources they need to graduate from homelessness into middle class jobs and housing are provided on-site through several area partnerships, skilled volunteers, an education center, and a part time nurse. Children are also provided with programming to help them grow through secure housing, nutrition, and healthcare, and to excel in school.

Making a Real Difference...

1. Transformation Village provides a safe and supportive environment for mothers seeking to reunite or entering with their children. 90% of our moms have regained custody of their children.
2. During the 2023 summer, 63% of our school age children living at Transformation Village enrolled in enriching summer programs.
3. So far this year Transformation Village has housed 183 residents: 22 mothers; 28 veterans (5 veterans included here have also been moms); 47 children; and 86 single women.
4. Of the 183 residents: 86 have obtained employment; 57 were unemployed due to retirement or SSI; and 40 were disabled.
5. Through a partnership with AB Tech, a total of 37 residents have received certifications in Industrial Sewing, ServSafe, Drug Abuse Counseling, Computer Skills, and Peer Support. Since January 2023, 78 residents were enrolled.
6. Residents are equipped and empowered to live independently with 12 Life Skills classes offered weekly and led by TrV's volunteers.
7. Monthly 7,200 nourishing meals were served by volunteer cook teams from churches, corporate teams, and families. "For He satisfies the thirsty and fills the hungry with good things." Psalm 107:9
8. Over 400 Volunteers are currently serving at Transformation Village. There have been 1729 so far this year. These volunteers are a gateway to healing for our residents. Women and children at Transformation Village thrive and grow spiritually through encouragement and fellowship with caring volunteers.
9. Within a year of arriving at Transformation Village, 8 out of 10 women find a good job and settle into permanent housing.
10. 97% of former residents are still sober, housed and working two years after successfully completing our program.
11. The lives of our Volunteers are also transformed by sharing their unique gifts and service with the residents of Transformation Village.
12. During the 2022/23 Code Purple season 75+ volunteers and 8 Transformation Village residents staffed 67 code purple nights and sheltered 567 homeless guests. During the 2023/24 season we anticipate sheltering over 700 guests.
